# TERMS AND CONDITIONS

## FOR STANDARD DOCUMENTS & TEMPLATES

---

### **Payment information**

Upon receipt of this order, an invoice will be sent. Delivery of the order will be made upon receipt of payment.

### **Conditions**

To use the standard templates and documents sold by Consepsys, the Client will need to have a software that can read Microsoft Word files.

All products offered are protected by the legislation on copyright and intellectual property.

All electronic and physical print-outs of standard products and their contents, developed by and delivered by Consepsys Limited, whether fully or partially completed shall be the sole property of Consepsys Limited and the copyright for the same shall be vested in Consepsys Limited. All rights reserved, including all copyrights and all other intellectual property rights in the contents hereof.

Products purchased are not transferable. Client has no intellectual property rights on the documents purchased and can not redistribute templates and documents purchased Consepsys Limited in any form whatsoever. Any reproduction of the purchased products is the responsibility of the counterfeiter.

Consepsys Limited makes no warranty to the customer regarding the use or the results of use of the products sold. Consepsys Limited shall not be liable to Client or any third party for any direct, indirect, incidental, special, exemplary, punitive or consequential damages, or any other form of damages in any manner arising from the use of documents and products. The responsibility of Consepsys may not exceed the refund of the product up to the purchase price.

By making available "standard models" Consepsys do not assume any liability. Indeed, it is up to each user to comply with the normative rules (laws , decrees , orders ) and contractual purposes, while making the adaptation of paper purchased for each particular situation.

Consepsys points out that buying a document templates proposed does not relieve the buyer to use the advice of a qualified professional, and is not in any way a substitute.
